

# T R I S T A N C A N D E L A R I O

Valenzuela, Metro Manila | +63 962 052 2108 | tristan.candelario06@gmail.com

## PROFILE

---

A recent web development bootcamp graduate with a solid understanding of HTML, CSS, and JavaScript. Passionate about building user-friendly websites and eager to learn and grow in a junior or intern role. Strong ability to self-manage projects while also thriving in team environments. Looking for an opportunity to apply my skills, contribute to a supportive team, and continue growing as a developer.

## PROJECT EXPERIENCE

---

### KodeGo Fullstack Web Development Bootcamp

**Kopii** | live link: <https://kopiii.netlify.app/>

**April 12 2024 - April 29 2024**

- **Frontend tools:** Proficient in building user interfaces using HTML, CSS, Bootstrap, ReactJS, Typescript, SASS, and Redux Toolkit for state management. Experienced with npm packages including axios, autoprefixer, and react-router-dom.
- **Backend tools:** Node and Express for API and authentication with packages like jwt, bcrypt, mysql2, nodemon, dotenv.
- **Admin Panel:** Worked with Laravel Jetstream integrated with TailwindCSS for managing administrative functions.
- **Meet Kopii**, your go-to for all things coffee. An e-commerce web application that offers a curated range, from beans to mugs and tea sets with the intent to connect coffee business and it's customers in a single place.
- Provided full-stack codes during web development.
- **Collaborative Development:** Actively collaborated with peers during the creation of Kopii, an individual capstone project, promoting teamwork and accelerating project completion through shared knowledge and assistance.
- **Knowledge Sharing:** Engaged in regular sessions to share insights and provide support to peers, contributing to a collaborative learning environment and enhancing overall project outcomes.
